DID YOU KNOW

FACTS ABOUT DELAYED REGISTRATION OF LIVE BIRTH

In 2024, the Birth Registration Assistance Project (BRAP) in Zamboanga City successfully registered **2,725** delayed registration of birth, contributing to 18% of the 14,875 total delayed registrations in Zamboanga Peninsula under BRAP.

Birth Registration Assistance Project (BRAP) aims to boost birth registration among marginalized communities, including Indigenous Peoples, Muslim Filipinos, and low-income families. By facilitating birth registration, BRAP enables these groups to access social services, claim benefits, and assert their rights with a Certificate of Live Birth and National ID.
