March 2023 is a month when barangay assemblies are held in the different cities and municipalities of Zamboanga del Norte. PhilSys personnel grabbed this undertaking as a perfect avenue for information dissemination for these gatherings were attended by most of the residents.

Questions such as : Ngano dugay kayo among ID? Nganong bondpaper ra man among ID? Nganong dili modawat ang XWZ bank sa akong ephild?

Answers to these questions were tackled during the barangay assemblies wherein the supervisors were invited as guest speakers. The supervisors also emphasized and encouraged the people to report to the office the agencies/establishments that did not accept the different formats of the national id.

This barangay activity enlightened the minds of the people on the use and importance of the ePhild.
