The Philippine Statistics Authority (PSA) Regional Statistical Services Office IX conducted the Philippine Identification System (PhilSys) Institutional Registration, which is an on-site registration activity at Philippine Ports Authority, Port Management Office of Zamboanga, last 02 June 2023.

This activity intends to allow registration for individuals who haven't yet registered up for PhilSys to provide quick access and convenience, and it also allows them to print their ePhilID while they're waiting for their PhilID card. The activity was facilitated by four (4) personnel that included Registration Center Supervisor, Registration Kit Operators and Screener to register the employees and their respective families as well.

To date, PSA RSSO IX continues to further intensify its goal to make PhilSys registration more accessible to the people.
