Date of Release: April 03, 2025
Reference No. 2025-PSA-ZDN-010

02 April 2025—Barangay Dipolod, Salug—The Provincial Statistical Office of Zamboanga del Norte, in collaboration with the Local Civil Registrar and the Indigenous People's Mandatory Representative (IPMR) of the Municipality of Salug, successfully conducted a mobile registration under the Birth Registration Assistance Project (BRAP) in Barangay Dipolod.

A total of 24 clients were accommodated during the activity. This initiative aims to ensure that all Filipinos, including those in remote or hard-to-reach areas, have their births officially registered, which is essential for obtaining government services and legal documentation. Through BRAP, the PSA helps raise awareness about the importance of birth registration, which is crucial for establishing one's identity, securing access to government services, and fully participating in society.
