PHILSYS JOINS THE 30TH TESDA ANNIVERSARY AND NATIONAL TECH-VOC DAY IN SINDANGAN

Date of Release: September 2, 2024
Reference No. 2024-PSA-ZDN-015

The PSA Zamboanga del Norte National ID Team joined the 30th TESDA anniversary celebration and National Tech-Voc Day on August 27, 2024. TESDA's annual World Café of Opportunities, held at the Sindangan Cultural Sports Center, was participated by various government agencies and private establishments. Key highlights of the event were the Job Fair, and a One-Stop Shop for various government services.

PSA Zamboanga del Norte contributed to the event by conducting National ID registrations. The team successfully registered 9 children aged 1-4 and 40 individuals aged 5 and above, issuing 6 National IDs in paper form. Given that no National ID team had been assigned to Sindangan for several months, their participation provided a significant relief to unregistered individuals, especially those needing to file delayed birth registrations.
