18 - 22 March 2024 – ZAMBOANGA CITY. The Philippine Statistics Authority – Regional Statistical Services Office (PSA-RSSO) IX in collaboration with PSA Central Office – Censuses and Technical Coordination Office – Information Technology and Dissemination Service – Knowledge Management and Communications Division (CTCO-ITDS-KMCD) conducted the Contents Management and Webpage Administration Training.

The said training was attended by PSA - RSSO IX employees headed by Ms. Mewchun WS. Pamaran, Regional Director, and participants/content managers from PSO - Zamboanga del Norte, PSO - Zamboanga del Sur and PSO - Zamboanga Sibugay. The resource persons during the training were Mr. Gerald Elbert M. Sarzona, Information Officer III and Mr. Alquin Rex G. Domenden, Information Officer I from PSA – Central Office.

The 5-day training aimed to equip and develop the skills of the participants/content managers with the knowledge on the creation of landing page of their respective provinces using Drupal as the main web application framework, an open-source Content Management System (CMS) to build and maintain websites, online directories, intranets and other types of digital content.

On the last day of the training, Ms. Shehana S. Ladjabangsa, Information System Analyst I, together with Mr. Gerald Elbert M. Sarzona and Mr. Alquin Rex G. Domenden presented the training output to Ms. Mewchun WS. Pamaran, Regional Director. RD Pamaran gave her insights and suggestions to make the webpage more interactive to the unique visitors of the webpage.

The Contents Management and Webpage Administration Training was concluded by the closing message of Officer-In-Charge CRASD Chief Conrad E. Sontillano.
