PSA PHILSYS CONDUCTED NATIONAL ID REGISTRATION IN BARANGAY SAN PEDRO, GODOD

Date of Release: 21 November 2023

Reference No. 2023-PSA-ZDN-014

The PSA is dedicated to establishing a sustainable and inclusive identification system for all Filipinos. In pursuit of this objective, registration teams conducted registrations in various barangays. One such barangay, Brgy. San Pedro in Godod, Zamboanga del Norte, stands as a remote area with rugged roads impassable by four-wheeled vehicles. While motorcycles can traverse the terrain, passengers often find themselves walking due to the challenging conditions. Accessing this barangay involves taking a jeepney ride from the Poblacion of Godod towards Barangay Sianan. From Sianan, individuals must cover a 9-kilometer distance on foot between Sianan and San Pedro.

On Tuesday, November 14, 2023, a registration team, led by Registration Center Supervisor Jay Ann Pacuribot and comprising Registration Kit Operators Cyril James Laranjo, Joshua Abrenica, and Ma. Shieryl Dalogdog, undertook a 4-hour journey to cover the 9-kilometer distance and register previously unregistered residents with PhilSys. The team successfully registered 89 individuals during this visit. Barangay Captain Aleto R. Daga expressed profound gratitude for the team's effort in reaching their barangay despite the challenging circumstances. The captain highlighted the significant cost savings for their constituents, who would otherwise have had to travel to the Poblacion to register with PhilSys if the team had not visited their barangay.
