Vision

Solid, responsive, and world-class authority on quality statistics, efficient civil registration, and inclusive identification system.

Mission

Deliver relevant and reliable statistics, efficient civil registration services and inclusive identification system for equitable development towards improved quality of life for all.

Quality Policy

We, the Philippine Statistics Authority, commit to deliver relevant and reliable statistics, efficient civil registration services and inclusive identification system to our clients and stakeholders.

We adhere to the UN Fundamental Principles of Official Statistics in the production of quality general-purpose statistics.

We commit to deliver efficient civil registration services and inclusive identification system in accordance with the laws, rules and regulations, and other statutory requirements.

We endeavor to live by the established core values of the PSA and adapt the appropriate technology in the development of our products and delivery of services to ensure customer satisfaction.

We commit to continually improve the effectiveness of our Quality Management System towards equitable development for improved quality of life for all.
