Vision

Solid responsive world-class authority on quality statistics and civil registration.

Mission

Deliver relevant, reliable statistics and civil registration services for equitable development towards improved quality of life for all.

Quality Policy

We, the Philippine Statistics Authority, commit to deliver relevant and reliable statistics and efficient civil registration services to our client and stakeholders.

We adhere to the UN Fundamental Principles of Official Statistics in the production of quality general-purpose statistics and commit to deliver civil registration services in accordance with the laws, rules and regulations, and other statutory requirements.

We endeavor to live by the established core values and corporate personality of the PSA and adapt the appropriate technology in the development of our products and delivery of services.

We commit to continually improve the effectiveness of our Quality Management System to ensure equitable development towards improved quality of life for all.
