### Marriage Certificate

is a document that shows social union or a legal contract between people that creates kinship. Such a union, often formalized via a wedding ceremony, may also be called matrimony. A general definition of marriage is that it is a social contract between two individuals that unites their lives legally, economically and emotionally.

Proclamation 682 declares the month of February of every year as Civil Registration Month affirmed by former President Corazon C. Aquino on the 28th of January 1991.
