2022 National Women's Month Celebration

WOMEN'S EMPOWERMENT

Empowering women enables them to confidently and meaningfully engage with appropriate institutions to ensure that they contribute to and benefit from development and changes. Thus, women's empowerment will make the change that we are espousing or any development effort responsive to women's concerns.

THE MAIN GOAL OF GENDER'S EQUALITY

to achieve women, men, girls and boys have **equal rights**, **conditions and opportunities** and **the power to shape their own lives** and **contribute to the development of society**.

Make Change Work

Make Change = MCW = Magna Carta of Women

Making change work for women entails strengthening the implementation of this landmark law at all levels. It means providing functional mechanisms as well as implementing and making known to citizens, programs and services that address strategic gender needs of women.

CHANGE Also means

Compassionate and Harmonized Actions and Networks for Gender Equality

WE / US OR "KAMI / TAYO" IN FILIPINO

The advocacy for gender equality is not solely for and from women. It is the work that needs benefit the whole nation. In various capacities whether as government officials and employees, members of the private sector, the academe, non-government organizations, or as private individuals, we can be partners for a change that is gender-responsive. It emphasizes our collective effort, collaboration, and participation to ensure that women will not be left behind in the pursuit of change.
